

Dear Friend:

According to the tradition of our parish, we, your priests are pleased to address heartfelt Easter Greetings, and express our appreciation of your faithful support.

During the Holy Lenten Season that has just come to a close, we have endeavored to serve you, by kind and earnest invitations to improve your spiritual lives, and we promise you further efforts, the best that are in us, our unceasing labors and services to build up the spiritual edifice of this parish over which we are called to preside, by administering to your sick and dying the consolations of our faith, instructing your children and promoting in every way possible the happiness of your homes and families.

On the blessed Morning of Easter, our prayers will be for you, pleading with the Master to bless you with that Peace and Joy which nothing in the world can give.

May the Risen Lord bless you and yours, and our whole parish. Pray that He may guide your priests, in the proper administration of His vineyard.

A most Joyous Easter to you and yours.

SCHOOL NOTES

The Grade School reopens Wed. The High School on Tues. The children in the Grades have made many sacrifices during Lent, and as a result the Mite Boxes were well filled. Without doubt our dear Lord has seen with great joy the spirit of sacrifice in our children, and what they have done and given will surely not go unrewarded. We wish to acknowledge our gratitude to the good Sisters whose inspiration and unflagging interest kept the contest keen. Following are the Mite Box Offerings of the various Grades: 4th Grade \$11.67-

Sr. M. Charlotte; 4th & 5th Grades--the Palace--\$13.26--Sr. M. DeChantal;

7th Grade--\$13.32--Sr. M. Henrietta; 8th Grade--\$25.88--Sr. M. Liberata.

The Pastor wishes to express his very sincere gratitude and deep appreciation to the Altar Society for the beautiful new Altar-Bcy Surplices made by the members. They will be worn the first time to-day and will add much to the beauty of our services. He also wishes to acknowledge most gratefully the check for \$80.00 which was given by the Altar Guild for much needed improvements in the Sisters' Convent.
