St. Joseph Parish is a Stewardship Parish. A Catholic Steward actively participates and is involved with parish ministries, each according to their time and talents. Continue to regularly pray the stewardship prayer. Help us to place You, our loving Creator, first in our lives by becoming more prayerful and more focused on loving and caring for our families and our neighbors in need. Help us to hear Your call to be good stewards of all Your gifts by sharing them to accomplish Your will, that is the coming of Your kingdom here on earth.

PARISH MISSION STATEMENT - "Under the protection of St. Joseph, and ever grateful to the Capuchin Franciscan Friars, we strive to foster a deeper relationship with Jesus Christ through prayer, worship and the celebration of the Sacraments. We are dedicated to love and care for all God's people in their physical, educational and spiritual needs through the stewardship of time, talent and treasure."

Daughters of Isabella

Attention All Catholic Women

What is the Daughters of Isabella organization you ask? We are a charitable organization of active Catholic women, age 16 and older, founded on the principle of it's motto: Unity, Friendship, and Charity. This motto guides us to love God and to love our neighbor as ourselves. Through Unity we increase our power and our strength to do good works. Friendship allows us to work together toward our goals. Through Charity we strive to work together and help one another, to bring joy, comfort, compassion, consolation, and encouragement to all.

To attain our goal of harmony and peace and to make the world a better place, we ask intercession of the Virgin Mary, our Mother. All of this information means that basically we have fund raising activities so that we can donate to worthy causes, such as Right to Life, Schools, Seminarians, Churches, Scholarships, etc. Our meetings are part business and part social. We are always ready to pray for any of our members and their families when needed. During the weekend of October 30 and 31, members of Daughters of Isabella Circle #254 will be passing out prayer cards and a small treat. Please stop and visit with any of these ladies about becoming a member. If you are not currently a member, we encourage you to complete an application today. If you currently are a member, we ask you to consider attending the monthly meetings and becoming active in our activities.

Meetings are the second Tuesday of each month, September through June. We do not have meeting in July and August. The meetings start at 6:30 pm, unless otherwise notified, and are held in the Immaculate Heart of Mary Activity Center. Membership dues are $25.00 per year.

We wish God's blessings on you all.

GOSPEL REFLECTIONS

Christ puts the second commandment together with the first. "There is no other commandment greater than these." The close relationship between these two commandments is discussed at length in the First Letter of John, in which he makes it clear that the failure to love the neighbor we see, and to attend to his needs, makes it impossible to love the God we do not see.

These two closely-related commandments provide the core of the Church's efforts to defend the unborn and the vulnerable. Because we love God with all our mind, heart, soul, and strength, we cannot place our own plans and choices above His choice to create human life and entrust it to our care. Moreover, we realize that religious piety is never meant to turn us in on ourselves, but rather to make us more attentive and responsive to the needs of the vulnerable. We love our neighbor – including our unborn neighbor – "like ourselves," which means that we recognize the unborn as a person like ourselves. Some say the unborn are too small, or too unlike us in their characteristics, to be considered a neighbor, a person. But the second commandment requires that we see every human being as a neighbor "like ourselves," and therefore love them.

This demand of love is greater than any other commandment. Often, it is the claim to observe other commandments that keeps people from intervening to save the unborn. We have legal concerns, often exaggerated. We shrink back because of human respect. We are afraid to part with certain possessions, relationships, or guarantees of security. And sometimes even those to whom we must answer tell us to "tone it down" regarding our outspoken defense of the unborn. But "there is no greater commandment than these." We are to love our unborn neighbor just as we love our born neighbor, and without reserve.
