**St. Joseph Parish is a Stewardship Parish.** A Catholic Steward actively participates and is involved with parish ministries, each according to their time and talents. Continue to regularly pray the stewardship prayer. Help us to place You, our loving Creator, first in our lives by becoming more prayerful and more focused on loving and caring for our families and our neighbors in need. Help us to hear Your call to be good stewards of all Your gifts by sharing them to accomplish Your will, that is the coming of Your kingdom here on earth.

**PARISH MISSION STATEMENT** - "Under the protection of St. Joseph, and ever grateful to the Capuchin Franciscan Friars, we strive to foster a deeper relationship with Jesus Christ through prayer, worship and the celebration of the Sacraments. We are dedicated to love and care for all God's people in their physical, educational and spiritual needs through the stewardship of time, talent and treasure."

# PASTOR'S NOTES

*Sacrosanctum Concilium*

The Constitution on the Sacred Liturgy, Vatican II, Series, Part 11

Fr. Brian Lager

## II. The Promotion of Liturgical Instruction and Active Participation

14. Mother Church earnestly desires that all the faithful should be led to that fully conscious, and active participation in liturgical celebrations which is demanded by the very nature of the liturgy. Such participation by the Christian people as "a chosen race, a royal priesthood, a holy nation, a redeemed people (1 Pet. 2:9; cf. 2:4-5), is their right and duty by reason of their baptism.

In the restoration and promotion of the sacred liturgy, this full and active participation by all the people is the aim to be considered before all else; for it is the primary and indispensable source from which the faithful are to derive the true Christian spirit; and therefore pastors of souls must zealously strive to achieve it, by means of the necessary instruction, in all their pastoral work.

Yet it would be futile to entertain any hopes of realizing this unless the pastors themselves, in the first place, become thoroughly imbued with the spirit and power of the liturgy, and undertake to give instruction about it. A prime need, therefore, is that attention be directed, first of all, to the liturgical instruction of the clergy. Wherefore the sacred Council has decided to enact as follows:

15. Professors who are appointed to teach liturgy in seminaries, religious houses of study, and theological faculties must be properly trained for their work in institutes which specialize in this subject.

16. The study of sacred liturgy is to be ranked among the compulsory and major courses in seminaries and religious houses of studies; in theological faculties it is to rank among the principal courses. It is to be taught under its theological, historical, spiritual, pastoral, and juridical aspects. Moreover, other professors, while striving to expound the mystery of Christ and the history of salvation from the angle proper to each of their own subjects, must nevertheless do so in a way which will clearly bring out the connection between their subjects and the liturgy, as also the unity which underlies all priestly training. This consideration is especially important for professors of dogmatic, spiritual, and pastoral theology and for those of holy scripture

Paragraph 14 of this constitution is often quoted as a reason for getting many people involved in the Mass and having numerous people around the altar and making Mass 'busier.' In an interview with Cardinal Antonio Cañizares Llovera Prefect of the Congregation for Divine Worship and the Discipline of the Sacraments, at the time of the new translation of the Roman Missal, he said:

"The protagonist of the celebration is Jesus Christ, not us. For this reason, active participation means uniting ourselves to Christ; uniting ourselves to Christ, who offers Himself to the Father; uniting ourselves to Christ, who receives the gift of God; uniting

ourselves to Christ, who loves the Father above all else; uniting ourselves to Christ in praise of the Father; uniting ourselves to Christ in thanksgiving; uniting ourselves to Christ in His very attitude before the Father and in favor of man. This is how there will be active and fruitful participation. And it will be truly fruitful because then it is Christ who acts in us; when we unite ourselves to him, He acts in us. And He effectively makes us worshippers."

This is the true meaning of "fully conscious, and active participation". As a parish and a Church it is important that we work toward deepening our ability to enter into the Holy Sacrifice of the Mass through inner contemplation of these mysteries. This is why we believe the Mass to be the 'source and summit of the entire Christian life,' because our life throughout the week ought to be spent growing in virtue so that we may better worship on Sunday. We receive from what God gives in this Divine Worship in order to sanctify our life throughout the week. This is our true purpose, living for God in this life so that we may live with God in the eternal life.

### ACE 2020 WAS A HUGE SUCCESS!!!

We didn't know what to expect when we decided to take the auction online but par for the course, Monarch supporters went online in full force. Prior to the auction and during the online event itself, over \$500,000 was raised. Added to that, the Leo J. and Albina Dreiling Trust generously donated the full matching amount of \$200,000 to Item #60! **ACE 2020, through the support of alumni and community earned in excess of \$700,000 toward the future of Catholic education!!!** God is good indeed! Thank you, Thank you, Thank you!!!!

### HOMEcoming 2020

At this time, out of an abundance of caution, the Alumni Board and Advancement office has made the difficult decision to cancel the Alumni Association sponsored events for Homecoming 2020 which include the open house, parade, deceased alumni Mass, dutch lunch and the Saturday banquet. The 2020 signature class years will be honored at homecoming 2021.

This decision was not easy because we know the joy of celebrating our history together but we also know the significance of our building to the memories you hold. Because of feedback regarding a projected low attendance, scarcity of available venues and without the ability to socially distance and provide a safe environment in the chapel, dining hall and the Rose Garden we do not feel it is right to risk the health of everyone involved. Please note, this pertains to only Alumni Association sponsored events. The school sponsored events will be decided upon at a later date.

We hope this message reaches you prior to making significant plans for travel or events. The Alumni Association will continue to aid you if you are proceeding with any private plans and we will also support the school and students with any events they decide to move forward with including a school sponsored parade.

Please contact us in the Alumni office at [alumni@tmpmarian.org](mailto:alumni@tmpmarian.org) with any questions or to just say hello. This is a time of uncertainty but we know one thing for certain, our faith in Christ will lead us through.

God Bless and Go Monarchs!
