St. Joseph Parish is a Stewardship Parish. A Catholic Steward actively participates and is involved with parish ministries, each according to their time and talents. Continue to regularly pray the stewardship prayer. Help us to place You, our loving Creator, first in our lives by becoming more prayerful and more focused on loving and caring for our families and our neighbors in need. Help us to hear Your call to be good stewards of all Your gifts by sharing them to accomplish Your will, that is the coming of Your kingdom here on earth.

PARISH MISSION STATEMENT - "Under the protection of St. Joseph, and ever grateful to the Capuchin Franciscan Friars, we strive to foster a deeper relationship with Jesus Christ through prayer, worship and the celebration of the Sacraments. We are dedicated to love and care for all God's people in their physical, educational and spiritual needs through the stewardship of time, talent and treasure."

Overturning *Roe v. Wade* Does ***Not*** Outlaw Abortion

Fr. Rich's Sermon from May 7/8, 2022

If the Supreme Court does end up overturning *Roe v. Wade* (which it should), this does not mean abortion will be outlawed.

The corporate media, and others will work overtime to convince you of this, but like everything else that comes from the media, and others, it will be a total lie.

Overturning *Roe v. Wade* merely does the right thing in putting an end to the insane idea that a woman has a *constitutional right* to slaughter her unborn child.

That's it.

That's all overturning *Roe v. Wade* does.

Unlike the clearly stated Constitutional right to own a firearm, nowhere in the Constitution does the right to abortion exist. It is a fabricated right invented more than 50 years by a left-leaning Court.

So, if that's the case and *Roe v. Wade* is overturned (as it should be), what happens? What will it mean?

Well, if you look at it from 30,000 feet, it means very good things for democracy. Instead of a handful of unelected judges deciding what should and should not be legal, it will be up to *We the People* to decide through our elected representatives. According to the Constitution, that's how it is supposed to work.

And so, the issue of abortion will land where it has always belonged: in the lap of state or local governments. In other words, elected representatives accountable to voters will decide if slaughtering an innocent, unborn child should be legal or not.

The news is not all good...

Unfortunately, if *Roe v. Wade* is overturned, abortion will still be legal all over the place. In places like California, abortion will be legal even after the child is partially born. That is good news for those who enjoy infanticide. Which brings me to my next point,

not that the pro-abortion proponents will ever hear it...

Conservatives are not calling for the Supreme Court to outlaw abortion. What we want is the issue to be decided where it belongs: in the political rather than legal arena. We want state and local governments to decide. We want *The People* to decide through those they elect. That's called democracy. The Lord inspired the Founders of our

country to establish a representative democratic form of government in our Constitution. We The People through our elected representatives are to determine what laws should govern us. What the left wants is to remove democracy from the issue entirely. The left wants this monstrous procedure legalized by fiat, by five people no one elected.

And if I may be so bold as to speak a little common sense to both men and women... You will still have the right to choose. Yes, you really will.

You will still have the right to choose to use adequate birth control.

The Church has Natural Family Planning.

You will still have the right to choose to control yourself.

You will still have the right to choose to give an unwanted child up for adoption.

You will still have the right to choose to behave like a responsible, compassionate adult instead of an animal who would snuff out an unborn life for purposes of convenience.

And, unfortunately, you will still have the right to choose to kill an innocent baby even after it's partially born in plenty of blue states and cities.

(Based on John Nolte's article: *Nolte – FYI: Overturning Roe v. Wade Does *Not* Outlaw Abortion*, 3 May 2022)

SUMMER SAINTS

St. Rita of Cascia May 22

St. Rita of Cascia (1381 – 1457) had the opportunity to live her life as a wife, mother, widow, and eventually, member of a religious community. Born in central Italy, St. Rita felt the calling to become a nun, but was pressured at a young age into marriage. During her 18-year marriage to a cruel man, she raised two sons. When her husband was killed in a brawl and her sons died, St. Rita decided to go back to her first love and attempted to join the Augustinian nuns in Cascia. Her status as a widow caused some complications to her entering, but she eventually succeeded in professing vows.

Throughout her lifetime, St. Rita of Cascia was known for her prayerfulness and charity. She also experienced stigmata on her forehead, meditated frequently on Christ's passion, and cared for the nuns of her religious community and those in the lay community who came to her for counsel.

People with disabilities of all ages are welcome and important members of our Church community. We want to give them more opportunities for learning about our faith and growing in fellowship. There are no barriers to God's love! We are still working on the details, but are gathering names of individuals and their families who may be interested in this new ministry or volunteers who would like to help. Ideas include monthly bible study and religious education, opportunities for confession, sacrament preparation, family support, Mass participation, and more.
